

From the Editor

Dear Readers:

It's hard to believe we're already at the end of 1997. This year has flown by for me and probably for many of you also. We have some great ideas for improving the Journal and will begin to implement them in the new year. I would especially enjoy receiving your input at this time about what might make this publication more useful to you. Please take a few minutes to send me your comments. I would also like to invite you to become a participant in the Journal as a contributor or possibly as an editor. Please let me know of your interest. (ppstark@aol.com, or to the National Office by mail or fax: 703-435-0056).

As always, I take great pleasure in acknowledging the efforts of the authors and editorial board over this past year. Your dedication and devotion of precious time benefit our entire profession.

Best wishes for a productive and fulfilling new year.

Sincerely,

Phyllis Palmer Stark, CCP
Editor
